January 25, 2008

Let us Pray to Start our 2008 with more FUN with Knights.

Continuity! Last Year we had a full schedule and fulfilled our SMILES QUOTA for the Holy Angels and our other charities. In addition, we supported our Brother Knights and Families with our programs, dinners, charity programs, Bingo and just by being brothers. Here is a summary of our events that we are looking forward to doing it again this year. Bingo pays our bills and gets us to our Community.

St Patrick's Day Parade 2007

Knight and Families start off March with the St. Patrick's Day Parade – it is attended by over 10,000 and Led by the Knights.

Holy Angels Boat Ride – Pray for Rain & Good Weather

We had our Boat Ride moved to the dry Holy Angels Picnic Area in 2007 because of the low Lake Water Level. We plan for a Boat Ride this year and we need your boats and help for the picnic. We are planning for it - on Sept 6.

We make the Food to Keep the Holy Angels and Families and Caretakers Happy and Full. We need your help this year for cooking for Fish Fry's, Dinners, Picnics, Parties and Knights Functions. We have our own kitchen to prepare the food and it is used for: Holy Angel Dinners and Picnics, for our Installation Dinner, for our Boat Ride Parties, for our Mass at the Council 770 Hall and for our Christmas Party the First Sunday of December. Any Knight can help cook and will make full stomachs and lots of Smiles. Please volunteer to do your part, and Make the Knights Proud and Eternal.

The Eucharistic Congress

Each Fall, the Diocese of Charlotte has a weekend Spiritual Renewal for all the Catholics in the Charlotte Diocese. This is again a way to move closer to God and Life.

Reflections on Your Knight's Legacy

Whenever I am at a Gathering of Knights, as we were for our Past Grand Knights, George Kutcher and Bill Phieffer this past year, I have been approached often with a similar refrain, “*Did you know my Dad, or Brother, or Uncle was also a Knight?*” This was always said with a sense of PRIDE in their voice. You Knights are building your own Legacy with your lives each day, when you attend Knight's programs, or help with our LAMB collections, or with the St. Patrick's Day Parade, or the Eucharistic Congress, or with Bingo, or with our Holy Angels Programs, and when you just come to the Meetings and help with the Dinners and Picnic's. Remember you are a Knight forever.

At the Funeral of PGK Bill Phieffer.
